- The MANAGEMENT will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dog(s) and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Show Committee, be asked to leave the show site. In such case, no refund of fees paid will be made and the ASCA office will be informed of the problem.
- Please have your dog's rabies certificate available.

In order to have ASCA qualifying legs tracked and to receive ASCA titling certificates, each non-ASCA registered dog will be required to have an ASCA Tracking Number.
This is a one-time fee of \$10/dog. At the time of applying for the tracking number, the individual owner must also be an ASCA member (minimum membership type of Service). ASCA membership does not need to be maintained in subsequent years. It will be the responsibility of the owner to identify to ASCA the shows and legs earned when applying for a Tracking Number after ASCA qualifying legs have already been earned. ASCA Membership and Tracking Number Application form is included in this premium.
- Please include an e-mail address on entry forms to receive confirmation of pre-entries.
- All fees MUST be submitted in US Funds
- Returned checks do not constitute a valid entry fee. Returned checks will incur a \$15 service charge.

- ALL dogs must be held on leash or crated except when competing or in the warm-up areas.
- All poop must be picked up, bagged, and disposed of properly by the dog's handler. The Event Committee retains the right to excuse any competitor who fails to pick up after their dogs, either at the trial site or the motel.

A. No dog shall be eligible to compete at any show, no dog shall be brought into the grounds or premises of any dog show, and any dog which may have been brought into the grounds or premises of a dog show shall immediately be removed, if it;

1. shows clinical symptoms of canine influenza, distemper, infectious hepatitis, parvovirus, leptospirosis, kennel cough or other communicable disease, or
2. has been confirmed by a veterinarian to have a communicable disease within thirty days prior to the opening of the show, or
3. has been kenneled within thirty days prior to the opening of the show in a household in which there were veterinarian-confirmed cases of canine influenza, distemper, infectious kennel cough or other communicable disease.

B. The ASCA Board of Directors reserves the right to call a quarantine if the situation warrants. The length and details of such quarantine will vary depending on the specific disease and the gravity of the situation.

C. Protocol for Communicable Disease Notification:

1. In the event that a host Affiliate is made aware of a dog exhibiting symptoms of a communicable disease, the hosting Affiliate will in turn investigate, following the steps outlined in the Conflict Resolution Protocol, observe the dog, and, if warranted, remove the dog. Dogs that within thirty days prior to the show have traveled or have been kenneled with a dog exhibiting symptoms may also be removed. In the case of removal of a dog(s), the Affiliate shall immediately report it to the ASCA Board via the Executive Secretary by emailing the Affiliate Health and Safety Report. The Affiliate Club shall provide a copy of the report to the owner of the dog(s).
2. Owners who believe that their dogs have contracted a communicable disease while at an ASCA event or have attended an ASCA event within the incubation period of a communicable disease should report the illness to the ASCA Board of Directors by contacting the Executive Secretary and submitting the Owner's Health and Safety Report form. All reports will be kept confidential.
3. Reports received by the Board will be investigated by an assigned Director, per normal Board procedure, to assess the extent of the communicable disease risk. The assigned Director will investigate and will report findings and a recommendation to the Board within three working days.
4. In instances of reported cases of communicable disease during or following the ASCA National Specialty, ASCA will send out a notice to

the membership through its official means of communication, notifying members of the report of the disease and providing educational information concerning the disease in question.
